A Message from Judy Day, President

I hope everyone had a glorious Christmas (even a white one for some of you). This past year has been eventful to say the least, from record numbers of artists signing up for Open Studio to the Butte Fire, from a semi-enthusiastic open studio weekend to a \$900.00 donation to the Butte Fire Recovery fund, from a new (to some of us) group of artists working at Red Corral studio to a great enriching surge to ACAA, from bad accidents to joyous recoveries, we've been through it all. We had a fabulous fun filled Christmas party with delicious food and, an off key choral director for the caroling. So, let's close the book on 2015.

Now, are you ready for the next adventure? Well,... Ready or not here it comes. 2016 is here and waiting for us to paint it up and color it beautiful. I hope you are all a part of the New Year.

Hope to see you all soon,

Judy Day

Art in Public Places Year in Review 2015

This past year we have some success stories to share with our Art In Public Places program. Those artists that sold some of their art: David Schupp; 1 at American River Bank; Colleen Williams; 1 at Superior Court, 1 at American River Bank, 9 at Rosebud's, 2 at Sierra Eye Care, Ted Smith; 1 at Rosebud's, Judy Regnier; 2 at Sierra Eye Care and Sandra Campbell; 1 at Amador Residential Care. Every artist has expressed an on-going appreciation for having his or her work and names out there. Judy Day this year thanks the program for giving her the opportunity of netting 2 commission pieces and Cynthia Dunn-Selph, just joining the group in July, is very appreciative of the exposure and having her art in public places. Which is what the program is all about.

Amador County Artists Association wishes to thank all our locations and members for continuing to promote this program in 2016. I have personally sent thank you cards with Christmas blessings to all our public locations. Thank you & Happy New Year to All!
