A Message from Judy Day, President

Wow! How did we get here so quickly? Summer has flown and there are still tons of things to do to get ready for Open Studio, which is just around the corner, September 17th and 18th.

First things first, thank you to all who attended the August potluck. The food was delicious as usual, with about 30 of us, talking, laughing and gabbing all around. Thank you to Em Rojas and Donna Plant for hosting the dinner at Castle Park.

Now for Open Studio, 1) last Wednesday was the drop off day for the raffle items. If you have not turned yours in yet please call Karen Crane (223-1720) as soon as possible and make arrangements. We are putting together a book of all the raffle items this year in order to sell advanced tickets. Our goal is to bring in more scholarship money as all the proceeds of the raffle go to our scholarship fund.

2) The preview Show. Arts Council is hosting our month long preview art show. Each artist is asked to participate in this gallery show. The artists will have their work for sale for the month of September in the Arts Council Gallery on Randolph St. in Sutter Creek. The drop off for this show is August 31st. between 9:30 and noon. There will be an artist reception on Saturday the 3rd honoring all of the artists. I hope all of you will attend and support the ACAA.

3) Open Studio. Mark your calendars. If you are not participating, please attend and bring 5 or 6 friends. The Tour begins at 10 am and ends at 4pm Saturday September 17th and Sunday September 18th, in 20 locations around Amador County. Pick up a booklet of locations and artists at the Sutter Creek Gallery. They will also be available at other places around town.

See you soon. Judy Day

A Note from the Newsletter

I can't believe it has been a year since I took over publishing the newsletter! I have appreciated the positive feedback and hope that you find useful information for your artful life in its pages. Its primary function is to promote ACAA functions and members, but I just want to remind you that this is your newsletter, and I would like to know what you want to see in it. Please send photos of your new work to share, events you are participating in, calls to artists, classes you are teaching, and any suggestions to dunnselphc@yahoo.com or to Cynthia Dunn-Selph on Facebook. Thank you!!

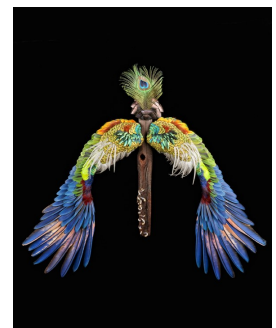

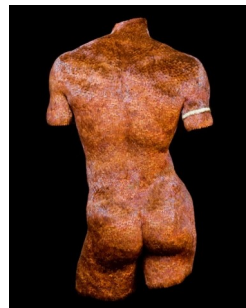

Lorra Lee Rose Will Demonstrate Feather Sculpture

Lorra Lee Rose, who is known for her exquisitely feathered life-size human figures and masks, will be demonstrating at the September 14 meeting of the Amador County Artists Association. She will talk about the process she uses to create her stunning artwork from naturally colored feathers. Completed works will be available for viewing. The artist will also briefly review conservation laws as well as how others can collect feathers. The public is invited and new members encouraged.

Rose originally created beaded earrings. When stocking up on supplies in San Francisco, she noticed a neighboring shop selling imported masks. Fascinated, she purchased some mask blanks and dyed feathers and was soon making her own. Meeting with success, she began collecting feathers and perfecting her techniques. Eventually, she turned exclusively to legally sourced feathers along with molted feathers obtained from a network of pet shops and aviaries. This award-winning artist has created pieces for private collections and exhibits at art festivals and museums. She will be participating in the September 17 and 18 Amador Artists Open Studios Tour. See more of her work on her website,
