A Message from Judy Day, President

Here we are, it’s 2016 and we are off and running. Plans are in the works for so many things and you can be a part of one or all. The student art show, Open Studio, or the Amador County Fair and I only named a few. We are beginning to round up exceptional talent to put on programs YOU would like to see. I could however use some help in this area. I need a coordinator for the programs, someone who can keep the calendar and make some calls. I would also like program ideas, things you would like to learn about or see done. Please call and let me know you are excited to be a part of the ACAA.

How would you like to be greeted when you entered the meeting? Have everyone call you by the correct first name? Enjoy refreshments and camaraderie. Come February 10th and find out.

If you haven’t paid your dues don’t wait. See you all soon.

Judy Day
