Amador County Artists Association whose purpose is to promote and encourage the production, cultivation, and appreciation of art.

## This Is Your Art Association

We are experiencing a low in members participating in the programs, renewing memberships, and volunteering for committees that keep our association going. We have had to reduce the amount and number of scholarships and prizes we award to art students. We currently do not have anyone willing to take on the role of Vice President, Demonstration Coordinator, Publicity Chair, or Open Studios Chair. Without volunteers for these positions many of our programs will not happen this year. If you have not renewed your membership, please take a moment to fill out the form below and send it in. Please attend meetings so your voice can be heard on what you would like to see the association doing to promote artists in Amador County. And most of all, take some time to volunteer!! Some of the duties listed above do not require much of a commitment, some do, but with many hands, even the biggest of tasks is do-able. Hope to see you on February 8th!!

### R.W. Toby Tyler - 'Sutter Creek Community Legacy Awardee' - Dies

Tyler's work is a familiar sight and is honored with a plaque on the Legacy Wall display in the foyer of the City Auditorium.

In the early morning on Dec. 22, 2016, Tyler, age 89, died at a long term care facility in Homer, Alaska. Despite a stroke in 2014 that gave him "left neglect" — the inability to perceive things on the left side of his vision — Tyler kept on painting and sketching up until the last few months of his life.

"R.W. Tyler did pen and ink drawings of all the historic buildings in Sutter Creek; and his drawings have come to be used to faithfully represent the City," the City Counsel unanimously declared in their October 3, 2011 minutes wherein Tyler was bestowed the City's Community Legacy Award.

In 1964, Tyler opened his gallery downstairs at 32 Main Street, Sutter Creek, Calif. and maintained his residence on the second floor.
